"The Metro North Chamber of Commerce (MNCC) has been the best choice for Highlands Risk Management to grow our client base and connect with potential customers. The multiple cities covered by MNCC's footprint is a distinct advantage to increase the return on our marketing and outreach budget."

Maurice Goodgaine, Agency Manager
Highlands Risk Management

"MNCC has given me a wonderful opportunity to participate in the place I love and have called home my whole life. Grow, connect, influence, and investment return are just a few words used to describe the wonderful culture of MNCC."

Chad Almond
Denver North Relocation Consultant

"In my experience, the Metro North Chamber of Commerce is an outstanding platform for connecting with my target customer and meeting other influential leaders to grow my commitment to community. I have more than realized my return on investment, not only with concrete financial data but also in the more abstract arena of building relationships and contacts."
